I. Introduction

This is the new Employment Plan (the “Employment Plan”) submitted by the Sheriff of Cook County (the “Sheriff” or “Sheriff’s Office”) and prepared with the assistance of the Shakman Compliance Administrator for the Sheriff (the “SSCA”), as required by the SRO. This Employment Plan sets forth the general principles that will govern the Sheriff’s Office’s employment policies and procedures. The Employment Plan applies to all Applicants and Candidates, as defined below, of the Sheriff’s Office. The Employment Plan does not apply to any Employment Action directed at exempt employees or Exempt Positions or as otherwise specifically provided in this Employment Plan.

The Sheriff’s Office reserves the right to modify, supplement, and/or rescind any provision, item or procedure included in this Employment Plan. This Employment Plan is not a contract and nothing in this Employment Plan shall be construed as providing any contractual right.

III. General Principles and Commitments Applicable to Employment

The Sheriff will adhere to the following general employment-related policies, practices and procedures:

- A. Commitment. The Sheriff will implement proactive and transparent employment-related policies, practices and procedures that will prevent and remedy the effects of Unlawful Political Contacts and Unlawful Political Discrimination as required by the Sheriff’s Order and will comply with the Constitution of the United States, the Consent Decrees, the SRO (while in effect), and Ordinances.
- B. Non-discrimination Based on Political Reasons or Factors. No individual applying for or holding a Non-exempt Position will be subject to any Unlawful Political Contact or Unlawful Political Discrimination, and the decision in any Employment Action will not be influenced by any Political Reason or Factor.
- C. Notice of Exemption. An employee holding a Non-exempt Position that is to become an Exempt Position will be given advance notice of such change and will be given the opportunity to transfer to any available Non-exempt Position

11/23/2010

for which he or she may be qualified in lieu of remaining in his or her position and becoming an Exempt Employee.

- D. Mandatory Reporting. Any employee of the Sheriff who knows of or has a reasonable belief that a Political Contact or Unlawful Political Discrimination has occurred or is occurring, is required to report such information to the Compliance Officer directly and without delay. All employees of the Sheriff are required to cooperate fully in any investigation conducted by the Compliance Officer and/or OPR. Any employee who fails to report and/or cooperate as required will be subject to disciplinary action, up to and including termination.
- E. Equal Employment Opportunity. The Sheriff is committed to diversity and equal employment opportunities regardless of race, sex, sexual orientation, age, religion, national origin, disability or any other legally protected status.
- F. No Retaliation. The Sheriff will continue to prohibit retaliation, punishment or penalty for initiating a complaint in good faith related to any alleged Unlawful Political Contact or Unlawful Political Discrimination, or cooperating with or assisting the Compliance Officer, the SSCA, while acting, Personnel, OPR or any other person or authority in the investigation of any such complaint.
- G. Supervisor Training. The Sheriff will establish formal, regular and ongoing training sessions for all Supervisors and other employees who provide input into decisions regarding any Employment Action taken as to other Sheriff employees.
- H. Personnel Staffing. The Sheriff will commit to provide and/or utilize personnel and resources necessary to ensure Personnel is able to maintain a staff of experienced and knowledgeable professionals who is able to fulfill its obligations under this Employment Plan.
- I. Union Relations. The Sheriff respects its relationships with its employees' legally recognized collective bargaining representatives and the provisions of the CBAs it has negotiated with such representatives. Those relationships are governed by the Illinois Public Labor Relations Act, 5 ILCS 315, et seq., as amended, and the Employment Plan and the Sheriff's Employment Action Manual (SEAM) will be construed and administered consistent with that Act to the extent that the construction or administration does not conflict with the United States Constitution or federal civil rights laws. With respect to Shakman Non-exempt Employees, if a CBA is in conflict with the language in the Employment Plan or SEAM, the language in the CBA governs provided it does not permit or involve the use of Political Reasons or Factors. If any provision in a CBA allows for management discretion involving any Employment Action, such management discretion must be exercised subject to the Sheriff's Order regarding Unlawful Political Factors and Reasons, Reporting and Retaliation, and to procedures contained in the Sheriff's Employment Plan and SEAM. If the CBA does not contain a specific procedure or is otherwise silent, the relevant procedure in the Employment Plan or SEAM must be followed.

If the Plaintiffs' counsel in the Shakman Case approves the request, the position will be added to, deleted from, or amended on the Exempt List, and such revision will be included on the next quarterly posting of the Exempt List. If the Plaintiffs' counsel in the Shakman Case does not approve the request, the Sheriff may file a motion with the court having jurisdiction in the Shakman Case for final resolution. Either party may order a copy of the transcripts at its own expense. Each party is responsible for the costs of compensating its own witnesses and the costs of any transcript, if desired. These attorneys' fees, costs and monetary awards will be paid for by the County. The Arbitrator will have no authority to modify any provision of the Plan.

V. General Employment Process Applicable to Non-exempt Civilian Positions

The specific elements of the General Employment Process for Non-exempt Civilian Positions are described in detail below. The following procedures shall apply unless and until there are specific alternate procedures implemented using Taleo as described in Section IV.O. above:

- A. Recruitment. Personnel will take steps to ensure that all recruitment efforts related to Non-exempt Civilian Positions are conducted in a manner that will maximize the pool of Applicants and avoid any Unlawful Political Contacts and Unlawful Political Discrimination, including, but not limited to, the following:

1. All Non-exempt Civilian Positions which the Sheriff is seeking to fill will be posted at Personnel, on the Sheriff's website and at locations where employees of the Sheriff's Office work. Non-exempt Civilian Positions may also be posted at additional locations consistent with the Sheriff's policies and practices, including locations required by any CBA.
2. All Supervisors will receive training in proper recruitment practices that comply with this Employment Plan within one (1) month of their employment as a Supervisor. Such training will be certified in writing by the Director of Personnel and included in their personnel records.
3. Sheriff's employees involved in recruiting may attend and participate in a variety of recruiting events, including, but not limited to, job fairs, school sponsored campus recruitment events and community based employment programs. Sheriff's employees engaging in recruiting activities shall not engage in any Unlawful Political Contacts or Unlawful Political Discrimination for or on behalf of any Public Official/Agent or Political Organization.

B. Requests to Hire (RTH)/Fill Vacant Civilian Non-exempt Positions.

1. The Hiring Department Head/Designee and the Director of Personnel/Designee shall consult the Chief of Staff/Designee, Undersheriff and the Chief Financial Officer to determine if a Vacancy(s) exists and if the Vacancy(s) will be filled pursuant to SEAM, Article A.

11/23/2010

2. The Hiring Department Head/Designee shall submit an RTH to the Director of Personnel. The Department Head/Designee or Director of Personnel/Designee must obtain an approval signature from the Chief of Staff/Designee (either on the RTH or request memorandum including the position and number of vacancies to be filled) to proceed with the hiring process for Civilian Non-exempt positions. Upon approval by the Chief of Staff/Designee, the Director of Personnel/Designee will forward a copy of written request to the Compliance Officer and the Undersheriff.

3. The RTH must be accompanied by a copy of the current Job Description for the Non-exempt Civilian Position. If no Job Description exists or the current Job Description is not accurate with respect to the Minimum Qualifications of the position, the Hiring Department Head/Designee will request a creation of a new Job Description or revision of an existing Job Description by submitting a new or revised Job Description to the Director of Personnel/Designee. The request, as outlined in Article XIII, Section A below, will be reviewed by the Director of Personnel/Designee who will determine, upon consultation with the Department Head/Designee, whether the changes consist of minor alterations which have no substantive effect or, if the changes are substantive, and whether they are justified and supported by objective, business-related reasons. A new job description for a new position will always constitute a substantive change. If the Director of Personnel/Designee determines the changes are minor or adequately supported by objective, business-related reasons and concludes the new or revised Job Description is accurate and reflective of the actual duties of the position, she or he, as well as the Hiring Department Head/Designee, will document the reasons for the change(s) and send a copy of such documentation, along with a copy of the revised Job Description, to the Compliance Officer for review and will notify the SSCA, while acting. If the Director of Personnel/Designee determines the changes are significant or not supported by objective, business-related reasons, a Desk Audit will be conducted as outlined in Article XIII, Section C below.

4. If applicable, the RTH may include any additional Preferred Qualifications relating to the Non-exempt Civilian Position that the Hiring Department Head/Designee feels are appropriate to consider as part of the selection process, provided the Compliance Officer confirms that such Preferred Qualifications are, in fact, substantially related to the Non-exempt Civilian Position's requirements. If appropriate, the Job Description will be revised to include current Preferred Qualifications.

5. The RTH will include the No Political Consideration Certification language.

C. Straight Seniority Bid Transfer. For entry-level or non-entry level civilian

11/23/2010

5. In the case of a Job Description which includes Preferred Qualifications relating to the Non-exempt Civilian Position that will be considered in the selection process, Personnel shall first take steps to ensure that any additional skill, experience or ability listed is relevant given the actual requirements of the position and the needs of the Department in which the Non-exempt Civilian Position is located, and that any additional skill, experience or ability listed is not an attempt to evade the requirements of this Employment Plan or the Sheriff's Order SOGO 09-3. The Job Description (included with the Notice of Job Opportunity) will clearly differentiate between Minimum Qualifications and Preferred Qualifications, and Applicants will not be considered ineligible solely because they do not possess any Preferred Qualification.

K. Interview List. Personnel will prepare an Interview List for each posted Non-exempt Civilian Position in accordance with the following:

1. If the final Screening Spreadsheet/Eligibility List contains the names of five (5) or fewer Candidates, Personnel will include all such Candidates' names in alphabetical order on the Interview List.

3. On the date of Candidate interviews for any Non-exempt Civilian Position, Personnel shall bring a copy of the Interview List and the applications and related documents of all Candidates listed on the Interview List to the designated interviewers so that the material can be reviewed by them prior to the interviews.

L. Interview of Candidates. The following will apply to the interview of Candidates for posted Non-exempt Civilian Positions:

In the event a Conflict of Interest is discovered prior to or during the interview, the panel member shall notify the Compliance Officer and the other members of the panel prior to the interview or as soon as possible that a Conflict of Interest exists and that a substitution is needed. The panel member will then leave the interview room and will not participate in the interview or the selection process for that Candidate. The substitute panel member shall be contacted to replace the panel member. If no substitute is available, the interview will be rescheduled. The substitute panel member shall assume the panel member's duties (asking questions, completing the Interview Evaluation Form, etc.). Upon conclusion of the interview and any discussion regarding the Candidate, the panel member will be notified to return to the interview room to replace the substitute panel member and resume

11/23/2010

interviews. If a Conflict of Interest is discovered after an interview, the Compliance Officer must be notified and he or she will make the determination of whether a second interview panel must be convened.

5. The Hiring Department, in consultation with Personnel, will develop a written list of interview questions for each Non-exempt Civilian Position, which will be approved by the Director of Personnel/Designee and the Compliance Officer prior to implementation. All questions will be based on and relate to the specific job duties and Minimum Qualifications of the Non-exempt Civilian Position as contained in the Job Description and Notice of Job Opportunity and will be designed to assess the Candidate's job-related qualifications, skills and suitability for employment. The interview questions may be revised from time to time, with the approval of the Director of Personnel/Designee and the Compliance Officer, in order to account for any changes in the job and to prevent inappropriate sharing of questions and answers among Candidates. The questions will be used to evaluate Candidates in accordance with the Interview Evaluation Form.
6. The interview questions developed for a particular Non-exempt Civilian Position may be used for subsequent vacancies for that Non-exempt Civilian Position, provided appropriate precautions are taken to prevent advance dissemination of answers and provided the questions remain applicable to the position.
7. All Candidates interviewed for the same Non-exempt Civilian Position will be asked to respond to at least five (5) of the same pre-approved interview questions. Additional and follow-up questions are permitted, provided they are related to a determination of the Candidate's suitability for the Non-exempt Civilian Position for which he or she is applying.
8. The interview may also include questions that establish, at a minimum, the Candidate's: (a) willingness and ability to do the job, (b) availability for work hours and willingness to work at the location where the job is located, (c) prior job performance (if objectively verified and deemed credible by the interviewers), (d) knowledge and understanding of the position, (e) results on any applicable test, and (f) relative qualifications for the position as compared with other Candidates. None of the above factors will be considered determinative or mandatory, and Interviewers will determine what, if any, weight is to be given to each factor.
9. Each interviewer will independently and personally complete and sign an Interview Evaluation Form for each Candidate at the conclusion of the interview. Any notes taken at the time of the interview not written on the Interview form will be attached to the Interview Evaluation Form and must be in ink. The interviewer will identify whether he or she has concluded that the Candidate is "Highly Recommended,"

11/23/2010

“Recommended” and deserving of further consideration, or “Not Recommended” and to be eliminated from consideration, as well as the reasons for his or her conclusions on the Interview Evaluation Form. No person may alter, add to or delete from any Interview Evaluation Form other than the interviewer who completes and signs the Interview Evaluation Form. All Interview Evaluation Forms must be completed in ink. A copy of the Interview Evaluation Form, which may be amended from time to time, is attached as Exhibit 12.

10. The Director of Personnel/Designee shall collect all of the completed Interview Evaluation Forms at the end of each interview.
11. All Candidates will be required to execute the Applicant Certification as part of the interview process. The completed Applicant Certifications will be collected by the Director of Personnel/Designee during the interview and shall be maintained along with other documents and supporting materials related to the Vacancy.
12. In the event an Applicant fails to appear for the scheduled interview, the Applicant shall have the opportunity to submit a written appeal including a detailed explanation to the Director of Personnel. If the Director of Personnel/Designee receives an appeal from the Applicant, he or she shall determine based upon the circumstances regarding the failure to appear whether to approve or deny the appeal. If the appeal is approved, interview shall be rescheduled. If a timely appeal is not submitted or the appeal is denied, the Applicant shall be deemed not eligible. The Compliance Officer is permitted to oversee or audit this process as he or she deems necessary.
13. All interviewers will be required to execute the No Political Consideration Certification as part of the interview process. The No Political Consideration Certification is located on the Interview Evaluation Form.
14. If no Candidate or an insufficient number of Candidates on the Interview List is rated as “Highly Recommended” or “Recommended” by at least two (2) of the interviewers, Personnel will contact the Department Head/Designee and send him or her a memorandum indicating that more interviews must be conducted. If more than five (5) individuals remain on the Eligibility List, the Director of Personnel/Designee and the Compliance Officer will randomly and on a blind basis select another five (5) Candidates from the Eligibility List to include on the Interview List.
15. If and when all Candidates on the original and any subsequent Interview Lists have been interviewed and none or an insufficient number of Candidates has been rated “Highly Recommended” or “Recommended” by at least two (2) of the interviewers, the position will be reposted, provided the file for the previous Notice of Job Opportunity will be

11/23/2010

documented to confirm that no Applicant or an insufficient number of Applicants was found eligible and the individuals making that determination will complete and sign No Political Consideration Certifications.

M. Candidate Selection Procedures. Following completion of interviews and Interview Evaluation Forms for all Candidates on the Interview List, Candidates will be selected for employment in accordance with the following:

1. If any Candidate failed to appear for his or her interview, the interviewers shall conduct a Selection Meeting no earlier than 72 hours from his or her scheduled interview and no later than 10 days following the completion of interviews of all Candidates on the Interview List. At the Selection Meeting, each interviewer has an opportunity to freely and without fear of retaliation express his or her opinion regarding the Candidates and their suitability for employment. Each interview panel member will indicate if he or she has "Highly Recommended", "Recommended" or "Not Recommended" the Candidate(s). The majority decision will determine the selection of Candidate(s).
2. Candidates ranked "Highly Recommended" by all panel members will be selected to fill Vacancies. In the event that there are more Candidates ranked "Highly Recommended" by all panel members than the number of Vacancies, the panel will follow the procedures in M.3 as to those "Highly Recommended Candidates". In the event that there are fewer Candidates ranked "Highly Recommended" by all panel members than the number of Vacancies, the panel will consider Candidates ranked "Recommended" by one (1) or more panel member pursuant to the procedures in M.3. If the number of Vacancies is equal to the number of Candidates who received any combination of "Recommended" or "Highly Recommended" by all panel members, then all Candidates will be selected to fill Vacancies.
3. After reasonable discussion and deliberation, the interviewers will identify the top Candidate for the position and document the reasons they chose that Candidate. If there are two (2) or more open positions, the interviewers will identify the top two (2) or more Candidates for the positions and document the reasons they chose those Candidates. If there are more Candidates who are "Highly Recommended" or "Recommended" than there are open positions, the interviewers will rank the remaining top Candidates in order of recommendation. If the interviewers are unable to come to agreement on ranking the top Candidates by majority rule, a Consensus Meeting will be required. One of the interviewers will take detailed notes on the Justification for Hire form at the Selection Meeting. The notes will be signed by the interviewers to confirm their accuracy. Such documentation shall be maintained by Personnel. The Compliance Officer may be present to monitor each Selection Meeting for a Non-Exempt Civilian Position.

11/23/2010

4. If one (1) panel member is in disagreement, the panel members may attempt to reach Consensus by discussing their opinions of the non-Consensus Candidate(s) freely and without fear of retaliation as well as by reviewing all notes and materials available, including the Application and Resume (if applicable) of the Candidate. The interview panel member who is not in agreement with the other interview panel members may elect to review the available materials without discussion, or he or she may request further discussion with the other panel members. After reviewing all materials, and possible further discussion, each interview panel member will determine if he or she desires to change his or her original conclusion regarding the Candidate(s). Any interview panel member who changes his or her original conclusion regarding the Candidate(s), for example, changing a conclusion of "Not Recommended" to "Recommended", is required to provide additional notes to the original Interview Evaluation Form documenting his or her reason(s) for the change. At the conclusion of the Selection Meeting, if one panel member remains in disagreement with the other panel members as to the selection and/or rejection of any Candidate(s), that panel member may indicate he or she wishes to challenge the decision and request a Consensus Meeting. If a Consensus Meeting is requested, no final decision regarding any Candidate will occur until the Consensus Meeting is conducted.
5. If one (1) panel member requests a Consensus Meeting, the Consensus Meeting will occur no later than 10 days following the completion of the Selection Meeting. The Director of Personnel/Designee, the Department Head/Designee and, if possible, all of the interview panel members will be present at the Consensus Meeting and the Compliance Officer may be present. All panel members will make best efforts to attend, but the panel member who challenged the decision must be in attendance. If the Department Head/Designee or Director of Personnel/Designee was present at the Selection Meeting in which the decision was challenged, the Compliance Officer must be present at the Consensus Meeting and make the final decision on the Candidate(s) in question, as explained below. At the Consensus Meeting, each interviewer has the opportunity to freely and without fear of retaliation express his or her opinion regarding the Candidate(s) whose selection or rejection was challenged. The Director of Personnel/Designee and the Department Head/Designee, upon hearing all opinions from each interview panel member and reviewing all relevant information, will attempt to come to a Consensus between themselves on the selection of the Candidate. If the Director of Personnel/Designee and the Department Head/Designee cannot come to a Consensus between themselves, the Compliance Officer will be presented with all documentation and the opinions of all participants of the Consensus Meeting and will be responsible for making the final determination regarding the selection or rejection of the Candidate. One of the participants of the Consensus Meeting will take detailed notes on the Justification for Hire Form at the Consensus Meeting. The notes will

11/23/2010

also indicate the objective basis or bases on which any Candidate was recommended. The notes will be signed by all the participants to confirm their accuracy. The notes will be maintained by Personnel, along with the name(s) of the selected Candidate(s) as determined by the Consensus Meeting. If it is determined by the Consensus Meeting that no Candidate is to be selected, Personnel will notify the Department Head/Designee that more interviews must be conducted as outlined in Article V, Section K-M above.

- N. Final Screening. Upon receipt of the Hiring Department's selection and required documentation, Personnel will conduct a final screening as follows:
1. Personnel will review all materials before extending an offer of employment to any Candidate, and no offer will be extended prior to the receipt of all required documents and supporting materials from the Hiring Department.
 2. Personnel will, and the Compliance Officer on a random basis may, contact references (preferably the most recent employers) listed on the application of selected Candidates who are External Applicants in order to verify the accuracy of information contained on the application, and any External Applicant who Personnel discovers provided incorrect or misleading information on his or her application will not be considered eligible and will not be extended an offer of employment. The Director of Personnel/Designee will document for the file the basis of his or her finding of ineligibility and notify the Department Head/Designee that the selected Candidate is not eligible. In such case, the provisions with respect to the selection an alternate Candidate shall apply.
 3. Personnel will, and the Compliance Officer on a random basis may, review the disciplinary records of all selected Candidates who are Internal Applicants to determine whether they have been subject to any additional disciplinary action not previously noted during the previous 18-month period, and any Internal Candidate who has been: (a) issued three or more written warnings, (b) suspended, (c) terminated or (d) received a disciplinary Demotion during that period will not be considered eligible and will not be extended an offer for the position, provided the terms of any applicable CBA will be observed. The Compliance Officer and Personnel will document for the file the basis of his or her finding of ineligibility and notify the Department Head/Designee that the selected Candidate is not eligible. In such case, the provisions with respect to the selection of an alternate Candidate shall apply.
 4. Prior to the Offer of Employment, the Director of Personnel/Designee will conduct a final pending disciplinary check with OPR and the Internal Applicant's respective Department. In the event of a pending Discipline case within the Internal Applicant's respective Department, the Selected Candidate will be marked not eligible on the Screening

11/23/2010

Spreadsheet/Eligibility List. In the event of a pending Discipline case at OPR, the Executive Director of OPR shall make the decision whether or not to release the pending hold on the Offer of Employment based upon the facts of the case. If the OPR investigation concludes after an Offer of Employment has been extended to another Candidate and the charges against the Internal Applicant are dismissed, the Internal Applicant will be screened for eligibility, as outlined in this section, and if deemed eligible, the Internal Applicant's name will be changed from not eligible to eligible on the Screening Spreadsheet/Eligibility List, with notations made regarding the reason(s) for the change. As outlined in Article V, Section G, the Internal Applicant's application shall remain active for twelve months from the closing date of the Notice of Job Opportunity, unless otherwise required by an applicable CBA and may be used to apply for other Notices of Job Opportunities as long as the Job Descriptions and Notices are identical to the position for which the application was originally submitted.

5. Personnel will conduct an investigation to determine whether any selected Candidate has been convicted of a felony or a misdemeanor that reflects negatively on the Candidate's character, honesty or integrity and impacts his or her suitability for the position and any Candidate whose record so indicates will be considered ineligible and will not be offered employment. Additionally, those Candidates whose criminal background checks indicate that they have direct connections with any gang or have otherwise been engaged in activity, which brings into question their suitability for employment as a Sheriff's Office employee will be considered ineligible and will not be offered employment.
6. Selected Candidates will also be required to undergo a drug test in accordance with the Sheriff's Drug Testing Policy as well as a physical examination.
7. All Applicants for Non-exempt Civilian Positions will be subject to a driver's license abstract investigation. Any Selected Candidate who in the previous 10 years (i) had his or her driver's license suspended for a serious violation or revoked at any time; (ii) has been convicted of or pled guilty or *nolo contendere* to a traffic violation involving an alcohol related offense or an offense involving controlled substances; or (iii) has been convicted of or pled guilty or *nolo contendere* to a traffic violation involving serious injury or death will be deemed Not Qualified, and the next highest ranked Candidate(s) on the Applicant List shall be selected.
8. All selected Candidate(s) will be advised that any offer of employment is contingent on their submission to a criminal background check, and those whose criminal background checks indicate they have any conviction may not be considered eligible and may not be extended an offer of employment. Personnel will apply the same standards to assessing the impact of any criminal record to all Candidates on a

11/23/2010

consistent basis. If a criminal background check reveals that a selected Candidate has been convicted of a felony or misdemeanor that impacts his or her suitability for the position for which he or she has received a contingent offer for employment with the Sheriff's Office in general, the contingent offer of employment will be withdrawn. If the background check reveals the Candidate has withheld or given inaccurate information concerning his or her criminal record, the contingent offer of employment will be withdrawn.

9. All selected Candidates who receive a contingent offer of employment will be advised that the offer is contingent on all pre-employment screening and pursuant and subject to any applicable CBA and the Sheriff's Drug Testing Policy.

O. Offers of Employment. After Personnel has verified all requirements documented in this Section, Article N above, employment offers will be extended in accordance with the following:

1. Personnel will extend the initial offer to the Candidate identified in the Justification for Hire. If that Candidate does not accept the offer, the provisions of Section K-N will be repeated for the selection of an alternate Candidate.
2. If the selected Candidate and no alternate Candidate is eligible upon completion of the final screening, or none accepts the offer of employment, the Notice of Job Opportunity will be reposted. Pursuant and subject to the terms of any applicable CBA, if the selected Candidate terminates employment or is terminated during any applicable probationary period, the provisions of Section K-N will apply with respect to the selection of an alternate Candidate.
3. Personnel will comply with the employment procedures contained in the Personnel Rules with respect to each Candidate who is offered and accepts an offer of employment.
4. No final offer of employment will occur until all results of a criminal background investigation and medical processing have been received by Personnel and all results have been determined satisfactory.
5. As a final step, the Director of Personnel/Designee must obtain a signature of approval by the Chief of Staff/Designee to hire the selected Candidate(s). No final offer of employment will occur until an approval by the Chief of Staff/Designee is obtained.

P. Taleo Updating. Once Taleo is fully operational, the provisions of this Article V will be amended to reflect the full functionality of Taleo.

The physical ability test will be administered and scored consistently for all Candidates. The employees conducting the physical ability test will complete a No Political Consideration Certification.
2. All Candidates who pass the physical ability test will be given a polygraph test conducted and scored by a state licensed polygraphist. The polygraph examination will evaluate whether a Candidate is well suited for employment, and Candidates may be disqualified based on the information gathered during the polygraph examination. The polygraph examiner will complete a No Political Consideration Certification.
3. All Candidates who pass the physical ability test and complete the polygraph test will be given a psychological screening independently conducted and scored by a state licensed clinical psychologist. Those Candidates who are rated as not well suited by this individual will be disqualified.
4. After the Candidate completes both the polygraph test and the psychological test, results from either or both may deem the Candidate not well suited for the position and the Candidate will be disqualified.

11/23/2010

5. In the event a Candidate fails to appear for the scheduled pre-employment test, the Candidate shall have the opportunity to submit a written appeal including a detailed explanation to the Director of Personnel. If the Director of Personnel/Designee receives an appeal from the Candidate, he or she shall determine based upon the circumstances regarding the failure to appear whether to approve or deny the appeal. If the appeal is approved, the pre-employment test shall be rescheduled. If a timely appeal is not submitted or the appeal is denied, the Applicant shall be deemed not eligible. The Compliance Officer is permitted to oversee or audit this process as he or she deems necessary.
6. Personnel will be responsible for notifying either in writing or telephonically each Candidate of the time and location for the various required pre-employment tests and any documentation the Candidate is required to produce at such test. Personnel must maintain a log documenting the contacts. Personnel will also be required to disqualify the Candidates who do not pass any pre-employment test and to notify each Candidate of his or her eligibility or ineligibility for further consideration for employment in writing.

D. Disqualification of Candidates for Sworn Positions. All disqualifications of Candidates for Sworn Positions by Personnel will be done in accordance with the following:

11/23/2010

- E. Interview of Candidates. The following will apply to the interview of Candidates for Non-exempt Sworn Positions:
1. The Department of Personnel will schedule interviews of all Candidates listed on the Merit Board Eligibility List, as amended pursuant to Article VI Sections C and D above, in conjunction with the Department Head/Designee. No Sheriff's employee may participate in or observe an interview without first receiving interview training as described in Article IV Section E above.
 2. At least 48 hours prior to any interview, the Compliance Officer will be notified in writing of the time and place of each interview for a Non-exempt Sworn Position. The Compliance Officer and the SSCA, while acting, may be present to monitor any interview for a Non-exempt Sworn Position.
 3. The Department Head/Designee will select two (2) employees in the Hiring Department who are familiar with the job duties and Minimum Qualifications of the Non-exempt Sworn Position being filled. The Department Head/Designee may choose to be one of the two interviewers. In addition to the two interviewers from the Hiring Department, the Director of Personnel/Designee shall be included as part of the interview panel. Depending upon the number of open positions to be filled for each hiring sequence, the Director of Personnel/Designee, in conjunction with the Department Head/Designee, may choose to create two or more interview panels in accordance with this Section.
 4. In the event a Conflict of Interest is discovered prior to or during the interview, the panel member shall notify the Compliance Officer and the other members of the panel prior to the interview or as soon as possible that a Conflict of Interest exists and that a substitution is needed. The panel member will then leave the interview room and will not participate in the interview or the selection process for that Candidate. The substitute panel member shall be contacted to replace the panel member. If no substitute is available, the interview will be rescheduled. The substitute panel member shall assume the panel member's duties (asking questions, completing the Interview Evaluation Form, etc.). Upon conclusion of the interview and any discussion regarding the Candidate, the panel member will be notified to return to the interview room to replace the substitute panel member and resume interviews. If a Conflict of Interest is discovered after an interview, the Compliance Officer must be notified and he or she will make the determination of whether a second interview panel must be convened.
 5. The Hiring Department, in conjunction with Personnel, will develop a written list of at least 10 interview questions for each Non-exempt Sworn Position, which will be approved by the Director of Personnel/Designee and the Compliance Officer prior to

11/23/2010

implementation. All questions will be based on and relate to the specific job duties and Minimum Qualifications of the Non-exempt Sworn Position as contained in the Job Description and will be designed to assess the Candidate's job-related qualifications, skills and suitability for employment. The interview questions may be revised from time to time with the prior approval of the Director of Personnel/Designee and the Compliance Officer in order to account for any changes in the job and to prevent inappropriate sharing of questions and answers among Candidates.

6. The questions will be included on the Interview Evaluation Form. The interview questions developed for a particular Non-exempt Sworn Position may be used for subsequent vacancies for that position, provided appropriate precautions are taken to prevent advance dissemination of answers and provided they remain applicable to the position.
7. All Candidates interviewed will be asked to respond to each of the approved interview questions. Additional follow-up questions are permitted, provided they are related to a determination of the Candidate's suitability for the Non-exempt Sworn Position for which he or she is applying.
8. The interview will also include questions that establish, at a minimum, the Candidate's: (a) willingness and ability to do the job, (b) availability for work hours and willingness to work at the location where the job is located, (c) prior job performance (if objectively verified and deemed credible by the interviewers), (d) knowledge and understanding of the position, and (e) relative qualifications for the position as compared with other Candidates. None of the above factors will be considered determinative or mandatory, and interviewers will determine what, if any, weight is to be given to each factor.
9. Each interviewer will independently and personally complete and sign an Interview Evaluation Form for each Candidate at the conclusion of the interview, but notes may be taken on the Interview Evaluation Form during the interview. The interviewer will identify on the Interview Evaluation Form whether he or she has concluded that the Candidate is "Recommended" and deserving of further consideration or "Not Recommended" and to be eliminated from consideration. He or she will also include a description of the reasons for their conclusions and sign the Interview Evaluation Form. No person may alter, add to or delete from the Interview Evaluation Form other than the interviewer who completes and signs the Interview Evaluation Form. All Interview Evaluation Forms must be completed in ink.
10. All completed Evaluation Forms will be returned to the Director of Personnel/Designee present at the interview upon completion of each interview.

11/23/2010

11. All Candidates will be required to execute the Applicant Certification as part of the interview process. The completed Applicant Certifications will be collected by the Director of Personnel/Designee during the interview and shall be maintained along with other documents and supporting materials related to the Vacancy.
12. In the event a Candidate fails to appear for the scheduled interview, the Candidate shall have the opportunity to submit a written appeal including a detailed explanation to the Director of Personnel. If the Director of Personnel/Designee receives an appeal from the Candidate, he or she shall determine based upon the circumstances regarding the failure to appear whether to approve or deny the appeal. If the appeal is approved, the interview shall be rescheduled. If a timely appeal is not submitted or the appeal is denied, the Candidate shall be deemed not eligible. The Compliance Officer is permitted to oversee or audit this process as he or she deems necessary.
13. All interviewers will be required to execute the No Political Consideration Certification as part of the interview process. The No Political Consideration Certification is located on the Interview Evaluation Forms.
14. After each interview, the Director of Personnel/Designee will collect the Interview Evaluation Forms from each interviewer. At the conclusion of the interviews for a particular hiring sequence, the Department of Personnel shall compile results from the Interview Evaluation Forms. All Candidates identified as "Recommended" by all interviewers will be included on the list of Recommended Candidates.

F. Candidate Selection Procedures. Following completion of interviews of Candidates on the Merit Board Eligibility List for a Non-exempt Sworn Position or following each day of interviews if multiple days of interviews are conducted, all Candidates who have not been disqualified will be selected for employment in accordance with the following:

1. Upon conclusion of all interviews scheduled for a particular interview day, the interview panel members will conduct a Selection Meeting. Each interview panel member will indicate if he or she has "Recommended" or "Not Recommended" each Candidate. In an attempt to reach a Consensus on those Candidates that interview panel members did not uniformly identify as either "Recommended" or "Not Recommended," (the "non-Consensus Candidates"), the panel members will attempt to reach Consensus of the non-Consensus Candidate(s) by discussing their opinions freely and without fear of retaliation, as well as by reviewing all notes and materials available, such as the Merit Board File and Application of the Candidate(s). The interview panel member who is not in agreement with the other interview panel members may elect to review the available materials without discussion, or he or she may request further discussion with the other panel members. After

11/23/2010

reviewing all materials, and possible further discussion, each interview panel member will determine if he or she desires to change his or her original decision regarding the Candidate. Any interview panel member who changes his or her original decision regarding the Candidate, for example, changing a decision of "Not Recommended" to "Recommended", is required to provide additional notes to the Interview Evaluation Form documenting his or her reason(s) for the change.

2. Upon completion of the Selection Meeting, all completed Interview Evaluation Forms will be returned to the Director of Personnel/Designee present at the interview. The Department of Personnel shall compile results from the Interview Evaluation Forms. All Candidates identified as "Recommended" by all interviewers will be included on the list of Recommended Candidates. All Candidates "Not Recommended" by all interview panel members will be disqualified from consideration.
3. After the Selection Meeting, if any non-Consensus Candidates remains, within 10 days following the last Candidate interview and Selection Meeting, the Director of Personnel/Designee, the Department Head/Designee and all members of the interview panel shall conduct a Consensus Meeting to discuss the non-Consensus Candidates. All interview panel members shall use best efforts to be present at the Consensus Meeting. If the Department Head/Designee or Director of Personnel/Designee were members of an interview panel with a non-Consensus Candidate, the Compliance Officer will be make the final decision on the non-Consensus Candidate, as explained below. At the Consensus Meeting, each interview panel member will freely and without fear of retaliation express his or her opinion of all non-Consensus Candidates to the Director of Personnel/Designee and the Department Head/Designee. The Director of Personnel/Designee and the Department Head/Designee, upon hearing all opinions from each interview panel member and reviewing all relevant information, will attempt to come to a Consensus between themselves on the selection of each non-Consensus Candidate. If the Director of Personnel/Designee and the Department Head/Designee cannot come to a Consensus between themselves, the Compliance Officer will be presented with all documentation and the opinions of all participants of the Consensus Meeting and will be responsible for making the final determination regarding the disqualification or recommendation of each non-Consensus Candidate. One of the participants of the Consensus Meeting will take detailed notes on the Justification for Hire Form at the Consensus Meeting. The notes will indicate the objective basis or bases on which any Candidate was disqualified or recommended. On the Justification for Hire Form, all notes will be signed by all the participants to confirm their accuracy and all participants in the Consensus Meeting will be required to execute the No Political Consideration Certification, located on the Justification for Hire Form. The Justification for Hire form will be maintained by Personnel, along

11/23/2010

with the names of any Candidate the participants recommend adding to the list of Recommended Candidates as a result of the Consensus Meeting. If a Candidate is disqualified, Personnel shall send that Candidate a letter noting the disqualification.

4. The Department of Personnel shall compile a list of all recommended Candidates in order of their Merit Board Certification date.
5. The Candidate with the earliest certification date shall be offered the position. If more than one (1) position is available, the Candidate with the next earliest certification date shall be offered the position. Candidates with the same certification date will be subject to a blind, random selection process, if there are more recommended Candidates than available Non-exempt Sworn Positions.
6. The names of those Candidates selected will be placed on the Decision to Hire Memorandum.

G. Final Screening. Upon completion of the Decision to Hire Memorandum and required documentation, Personnel will conduct a final screening as follows:

1. The Director of Personnel/Designee and the Compliance Officer will review all materials provided before extending an offer of employment to any Candidate, and no offer will be extended prior to the receipt of all required documents and supporting materials.
2. Personnel will, and the Compliance Officer may, on a random basis, contact references (preferably the most recent employers) listed on the application of all selected Candidates in order to verify the accuracy of information contained on the application. The name of any Candidate who Personnel or the Compliance Officer discovers provided incorrect information on his or her application will be removed from the Decision to Hire Memorandum, including a notation as to the reason for removal. The Compliance Officer will notify the Merit Board of the identity of any Candidate who is removed from the Decision to Hire Form for further investigation.
3. Personnel will complete an up-to-date background check for each selected Candidate. Based on the results of the background check, Personnel may send the name of the Candidate back to the Merit Board for further investigation to determine whether the Candidate's certification should be revoked. Those Candidates whose criminal background checks indicate they have been convicted of a misdemeanor or felony, have direct connections with any gang or have otherwise been engaged in activity which brings into question their suitability for employment as a Sworn Employee will be disqualified by Personnel.

H. The Director of Personnel/Designee must obtain a signature of approval by the Chief of Staff/Designee to hire the selected

11/23/2010

Candidate(s). No final offer of employment will occur until an approval by the Chief of Staff/Designee is obtained.

I. Offers of Employment. Personnel will extend conditional employment offers to those Candidates whose names remain on the Decision to Hire Memorandum after the final screening in accordance with the following:

1. All selected Candidates who receive a contingent offer of employment will be advised of the date of orientation and the start date with the Training Academy.
2. All selected Candidates who receive an offer of employment will be advised that the offer is contingent on their submission to a drug test prior to commencement of employment, pursuant to the Sheriff's Drug Testing Policy as well as a physical examination by their private physician.
3. Personnel will comply with the hiring and employment procedures contained in the Personnel Rules with respect to each Candidate who is offered and accepts an offer of employment.

VII. Exceptions to the General Employment Process

The following limited exceptions apply to the General Hiring Processes for Sworn and Civilian Employees or specified portions thereof:

- A. Exempt Positions. The Sheriff may consider Political Reasons or Factors in taking any Employment Action relating to any individual applying for or holding an Exempt Position as listed on the Exempt List. This exception does not apply to any position that is not included on the Exempt List.
- B. Senior Manager Positions. See Section VIII below.
- C. Senior Assistant Positions. See Section IX below.
- D. Emergency Hires. VIII. Senior Manager Hiring Process

11/23/2010

Senior Manager Positions are those positions that have significant managerial responsibilities, are not covered under any CBA and are not Exempt Positions. The nature of the Senior Manager position makes discretion and flexibility in hiring justifiable in order to build an accountable and qualified management team. Political Reasons or Factors shall not be considered in the employment of any employee holding a Senior Manager Position. The following will apply with respect to the hiring and employment of Senior Managers:

- A. Posting the Senior Manager List. The Sheriff's Office will post and maintain a current Senior Manager List in the Personnel Office and on the Sheriff's website in accordance with the following:
 1. The Senior Manager List shall be available for public viewing inside the Personnel Office and include: (a) the name of the Department to which the Senior Manager Position is assigned and in which the individual holding the Senior Manager Position works, (b) the job title, and (c) the incumbent's name. The Sheriff's Office will provide a copy of the current Senior Manager List to individuals upon written request either in person or via e-mail if so requested.
 2. The Senior Manager List will also be posted on the Sheriff's website. The posting will include: (a) the name of the Department to which the Senior Manager Position is assigned and in which the individual holding the Senior Manager Position works, (b) the job title, and (c) a link to the Job Description for each Senior Manager Position.
 3. The Sheriff's Office will repost and update the Senior Manager List at the Personnel Office and on its website within 10 business days of any change being approved. The Compliance Officer will oversee the update, maintenance and posting of the Senior Manager List to ensure its accuracy.
- B. Additions to and Deletions from the Senior Manager List. The Sheriff's Office may from time to time add positions to or delete positions from the Senior Manager List in accordance with the following:
 1. The Department Head/Designee, with the prior approval of the Executive Office/Designee, shall submit written notice of any proposed addition to or deletion from the Senior Manager List, along with supporting documentation. Such request shall include but is not limited to, (a) the job title of the Senior Manager Position (including a copy of the Job Description for the position) and (b) an explanation of the basis on which he or she believes the position should be added to or deleted from the Senior Manager List. The request will be submitted to the Compliance Officer and Director of Personnel/Designee, who will respond with a written notice of approval or denial of approval (including the reasons for their decision) within forty-five days. If the Compliance Officer and Director of Personnel/Designee approve the request, the position will be added to or deleted from the Senior Manager List, as applicable, and such revision will be made to the

11/23/2010

Senior Manager List. Any Job Description for a new Senior Manager Position will be subject to the requirements of Article VIII, Section C below. If either the Compliance Officer or Director of Personnel/Designee does not approve the request, the position will not be added to or deleted from the Senior Manager List, provided a member of the Executive Office may appeal the Compliance Officer's or Director of Personnel/Designee's decision to the Director of OPR for a final decision.

2. In the event the Executive Office/Designee files an appeal, the Compliance Officer and Director of Personnel/Designee shall forward a copy of their decisions to add or remove the position from the Senior Manager List to the Hiring Department and OPR. OPR's written decision will be sent to the Director of Personnel/Designee, the Compliance Officer and the Executive Office/Designee.
3. In addition to the above, until such time as the judge in the Shakman Case signs an order terminating the SRO, the Sheriff's Office shall provide to Plaintiff's counsel in the Shakman Case and to the SSCA written notice of any proposed addition to or deletion from the Senior Manager List, along with supporting documentation, including but not limited to, (a) the identity of the Senior Manager Position (including a copy of the current Job Description for the position or a proposed Job Description for any proposed position prepared in compliance with Article VIII, Section C below); and (b) an explanation of the basis on which it believes the position should be added to or deleted from the Senior Manager List. Plaintiff's counsel will respond with his or her written notice of approval or denial of approval (including the reasons for the denial of approval) within ten days of receipt of all supporting documentation. A copy of such response will also be sent to the SSCA. If the Plaintiff's counsel in the Shakman Case approves the request, the position will be added to or deleted from the Senior Manager List, as applicable, and such revision will be made to the Senior Manager List as soon as practicable. If the Plaintiff's counsel in the Shakman Case does not approve the request, the matter will be referred to the SSCA for mediation. If the Plaintiff's counsel and the Sheriff cannot resolve their dispute with the assistance of the SSCA, the matter will be referred to the court having jurisdiction in the Shakman Case for final resolution. The position will not be added to or deleted from the Senior Manager List until final resolution by the court.

2. If the Compliance Officer does not approve the request, the modification to the Job Description will not be made, provided the Director of Personnel/Designee and the Department Head/Designee may jointly appeal the Compliance Officer's denial in writing to OPR. Notice of any appeal to OPR will be provided to the Compliance Officer by the Director of Personnel with a copy to the Executive Office/Designee and the Department Head/Designee.
3. In the event of an appeal, the Compliance Officer shall forward his or her reason(s) for denying the modification to any Senior Manager Job Description to OPR, the Director of Personnel/Designee and the Department Head/Designee.
4. Within 30 days of its receipt of any appeal, OPR will send the Compliance Officer, the Director of Personnel and the Department Head/Designee written notification of its decision to grant or deny the appeal, including the basis for its decision, and that decision will be final. OPR shall base its decision on relevant definitions and provisions of this Employment Plan. The decision must be accompanied by a No Political Consideration Certification signed by the OPR staff member making the decision.
5. Until such time as the SRO is terminated, copies of all modification requests must also be submitted to the SSCA for approval at the same time they are submitted to the Compliance Officer.  2. The Compliance Officer shall be notified in writing of the date, time and location of the interview selection panel at least 48 hours prior to commencement of the interview selection panel meeting. The Compliance Officer may elect to be present to monitor any interview selection panel meeting for a Senior Manager Position.
 3. At this meeting, each member of the interview selection panel will have an opportunity to freely and without fear of retaliation express his or her opinion regarding the Candidates listed on the Eligibility List and their suitability for the position.
 4. The interview selection panel will identify and agree upon a sub-pool of those Candidates whose Minimum Qualifications and Preferred Qualifications, if applicable, most closely match those contained on the Job Description and on the Notice of Job Opportunity. The interview selection panel shall choose a minimum of three (3) Candidates for each open position whom all interview selection panel members agree are the best qualified and place them on the Interview List.  2. Interviews will commence as soon as possible after the interview selection panel has determined the identity of the Candidates to be interviewed and has prepared the Interview List. All Candidates listed on the Interview List will be interviewed.
 3. In the event a Candidate fails to appear for the scheduled interview, the Candidate shall have the opportunity to submit a written appeal including a detailed explanation to the Director of Personnel. If the Director of Personnel/Designee receives an appeal from the Candidate, he or she shall determine based upon the circumstances regarding the failure to appear whether to approve or deny the appeal. The Hiring Department, in consultation with Personnel, will develop a written list of interview questions for each group of Candidates interviewed for any Senior Manager Position, which will be approved by the Director of Personnel/Designee and the Compliance Officer prior to implementation. All questions will be based on and relate to the specific job duties and Minimum Qualifications of the Senior Manager Position as contained in the Job Description and Notice of Job Opportunity and will be designed to assess the Candidate's job-related qualifications, skills and suitability for employment. The interview questions may be revised from time to time, with the approval of the Director of Personnel/Designee and the Compliance Officer, in order to account for any changes in the job and to prevent inappropriate sharing of questions and answers among Candidates. The questions will be used to evaluate Candidates in accordance with the Interview Evaluation Form.
5. The interview questions developed for a particular Senior Manager Position may be used for subsequent vacancies for that position, provided appropriate precautions are taken to prevent advance dissemination of questions or answers and provided the questions remain applicable to the position.
6. All Candidates interviewed for the same Senior Manager Position will be asked to respond to at least five (5) of the same pre-approved interview questions. Additional and follow-up questions are permitted, provided they are related to a determination of the Candidate's suitability for the Senior Manager Position for which he or she is applying.
7. The interview may also include questions that establish, at a minimum, the Candidate's: (a) willingness and ability to do the job; (b) availability for work hours and willingness to work at the location where the job is located; (c) prior job performance (if objectively verified and deemed credible by the interviewers); (d) knowledge and understanding of the position; (e) results on any applicable test; and (f) relative qualifications for the position as compared with other Candidates. None of the above factors will be considered determinative or mandatory, and interview panel members will determine what, if any, weight is to be given to each factor.
8. In the event a Conflict of Interest is discovered prior to or during the interview, the panel member shall notify the Compliance Officer and the other members of the panel prior to the interview or as soon as possible that a Conflict of Interest exists and that a substitution is needed. The panel member will then leave the interview room and will not participate in the interview or the selection process for that

11/23/2010

Candidate. The substitute panel member shall be contacted to replace the panel member. If no substitute is available, the interview will be rescheduled. The substitute panel member shall assume the panel member's duties (asking questions, completing the Interview Evaluation Form, etc.). Upon conclusion of the interview and any discussion regarding the Candidate, the panel member will be notified to return to the interview room to replace the substitute panel member and resume interviews. If a Conflict of Interest is discovered after an interview, the Compliance Officer must be notified and he or she will make the determination of whether a second interview panel must be convened.

9. Each member of the interview panel (including the Department Head/Designee) will independently and personally complete and sign an Interview Evaluation Form for each Candidate at the conclusion of the interview. The interviewer will identify on the Interview Evaluation Form whether the Candidate is (a) "Highly Recommended," (b) "Recommended" and deserving of further consideration, or (c) "Not Recommended," as well as the reasons for his or her conclusions. No person may alter or add information to or delete information from any Interview Evaluation Form other than the interviewer who completes and signs the Interview Evaluation Form. All Interview Evaluation Forms must be completed in ink. All completed Interview Evaluation Forms will be signed and dated by the interviewer and returned to the Director of Personnel or his or her Designee participating in the interview upon completion of each interview.
10. The Compliance Officer shall be notified in writing of the dates, times and locations of all Candidate interviews at least 48 hours prior to commencement of any interview for a Senior Manager Position. The Compliance Officer may elect to be present to monitor any interview for a Senior Manager Position.

Until such time as the SRO is terminated, the SSCA shall be notified in writing of the dates, times and locations of the interviews at least 48 hours prior to commencement of any interview for a Senior Manager Position and may elect to be present to monitor any interview for a Senior Manager Position.
12. If no Candidate or an insufficient number of Candidates on the Interview List is selected by a Consensus of the interview panel, the interview selection panel will reconvene and prepare another Interview List from the Candidates remaining on the Eligibility List.
13. After conducting interviews and completing the Interviewer Evaluation Forms of all Candidates listed on the Interview List and Eligibility List, the Department Head/Designee may request that Personnel restart the Senior Manager hiring process if no Candidate from the Eligibility List has been rated as Highly Recommended or Recommended by all of the interviewers. The Director of Personnel/Designee and the Compliance Officer will review the request, the Interview Evaluation Forms,

11/23/2010

interview notes and applications of the Candidates on the Eligibility List and confirm that no Candidate was rated as Highly Recommended and/or Recommended by all of the interviewers. If no further Candidates are available, the position may be posted again upon the agreement of the Director of Personnel/Designee and the Compliance Officer.

- N. Selection for Hire. Following completion of interviews with all Candidates on the Interview List, Candidates will be selected for employment in accordance with the following:
1. After 48 hours and within 10 days following the last Candidate interview, the Department Head/Designee will conduct a Consensus Meeting at which all of the members of the interview panel will make best efforts to be present and at which each interviewer has an opportunity to freely and without fear of retaliation express his or her opinion regarding the Candidates who have been ranked as Highly Recommended or Recommended by all of the interviewers and their suitability for employment. No Consensus Meeting will occur unless at least two (2) of the interviewers are available to attend. The Consensus meeting may occur immediately following the last Candidate interview provided that all Candidates appeared and sat for their scheduled interview.
 2. After reasonable discussion and deliberation, the participants will identify the top Candidate for the position and document the reasons it chose that Candidate in a Justification for Hire form. One of the participants will take detailed notes on the Justification for Hire form at the Consensus Meeting. The notes will also indicate the objective basis or bases on which any Candidate was selected. The notes will be signed by the Department Head/Designee and each of the interviewers to confirm their accuracy. The notes will be forwarded to Personnel along with other required documentation. If the interview panel elects to do so, it also may designate the second, third and fourth best Candidates.
 3. The names of the Candidate or Candidates selected will be placed on the Justification for Hire Form completed by the participants and will be given to Personnel for final screening.
 4. The Justification for Hire form and other documentation shall be maintained by Personnel.
 5. The Compliance Officer and the SSCA, while acting, may be present to monitor each Consensus Meeting.

 - 1. If inaccuracies in the existing Job Description are the result of minor alterations in job responsibilities that do not involve a change in the Minimum Qualifications, the Director of Personnel/Designee, after consultation with and the concurrence of the Department Head/Designee, may make the appropriate adjustments to the Job Description.
 - 2. If inaccuracies in the existing Job Description are the result of a quantitative change in any Minimum Qualification contained in the existing Job Description (e.g., an increase or decrease in years of experience or educational level required), the Director of Personnel/Designee will consult with the Department Head and confirm that the basis for the change is supported by objective, business-related reasons. If so, the Director of Personnel/Designee may make the appropriate adjustments to the Job Description, provided the Director of Personnel/Designee will document the reasons for the change and send a copy of such documentation, along with a copy of the revised Job Description, to the Compliance Officer for review.
 - 3. If there is no Job Description or there are inaccuracies in the existing Job Description as the result of a qualitative change in any Minimum Qualification contained in the existing Job Description, the Director of Personnel/Designee will assign a trained and experienced Personnel staff member to conduct a full desk audit including the following:
 - a. A Personnel staff member will meet individually with the incumbent in the position in question, preferably at the incumbent's work location, to observe the incumbent's activities and conduct an in-depth interview to determine his or her specific job duties and assigned responsibilities.
 - b. The Personnel staff member will then conduct interviews with the incumbent's immediate supervisor and the Department Head and document their views of the position's duties and responsibilities.
 - c. The Personnel staff member will complete the Desk Audit Form at the conclusion of the interviews and indicate his or her determination regarding whether the position should be Reclassified. That determination, along with any supporting documentation and interview notes, will be reviewed by the Director of Personnel/Designee, who will either approve or not

If the incumbent does not possess the Minimum Qualifications contained in the revised Job Description, the job will be posted and filled in accordance with the General Employment Process, and the incumbent will be transferred in accordance with the Personnel Rules applicable to layoff and any applicable CBA.
- D. No Political Considerations or Factors. No request for Reclassification or Job Description creation, or any decision in response to such request may be based on any Political Reason or Factor, and any request or attempt to influence such request, or any Reclassification or Job Description creation, based on Political Reasons or Factors will be considered an Unlawful Political Contact or Unlawful Political Discrimination, as applicable, and must be reported pursuant to the Consent Decrees and SRO (while in effect), the General Order, and this Employment Plan and SEAM.
